Essay

My essay is on Eminem. He was born october 17, 1973 in Kansas City, Missouri. Eminem had a traveling childhood. He and his mother traveled the United States. He ended up living in Detroit at the age of 12. Eminem quit school in ninth grade. He ended up though as one of the most loved rappers of all. He got awards for his songs yet he also got sued because he had hateful things in his songs. Eminem is one of my favorite musical artists.
